

Quality training for third world missionaries

November 2018

Highlights of 2018—A Year of Surprises

PERU! In June and July, God surprised me (Judy) by giving me a trip back to Peru with three friends, one of whom paid my way. We had a blast vacationing together, but more importantly, we were able to take the Jesus Film in Ashaninka to my precious Ashaninka and Asheninka friends from 40 years ago in Churingaveni, Peru. There are many other villages in that area filled with people who could understand the story of Jesus in Ashaninka. Pray for someone to arrange showings to those people. Robert and I left a projector there for that purpose.

STROKE! The end of August, Mom surprised herself and us by having a stroke which precipitated seizures which in turn resulted in compression fractures in her spine. After several weeks of intense pain from the fractures, thanks to your prayers, wise doctors, home health therapists, and healing from God, she has improved amazingly. Naturally the level of care here at home has increased, and family members have generously stepped in to help me out a couple of times a week. Sylvia even came from PNG for several weeks to help, and Robin came from Seattle for a weekend.

We are grateful to have you in our lives as we strive to serve God with the gifts He has given us and endeavor to let our life song sing for Him. May He help us be worthy of your investment in our lives and ministry.

Happy Thanksgiving, Merry Christmas and a Blessed 2019!

Praise

- That Mom is doing so well
- Family who help with Mom's care
- The loving, caring, praying friends, family, and supporters with whom God has blessed us

Prayer

- Health for Robert and me and others in our family
- Wisdom and productivity for Robert in course creation
- God's provision for the needs of our supporters and for our ongoing needs. We have lost several supporters to heaven and others have had to reduce because of hard times.

2018 at a Glance

Marti, Randy, Judy, and Nancy at Machu Picchu on the trip of a lifetime!

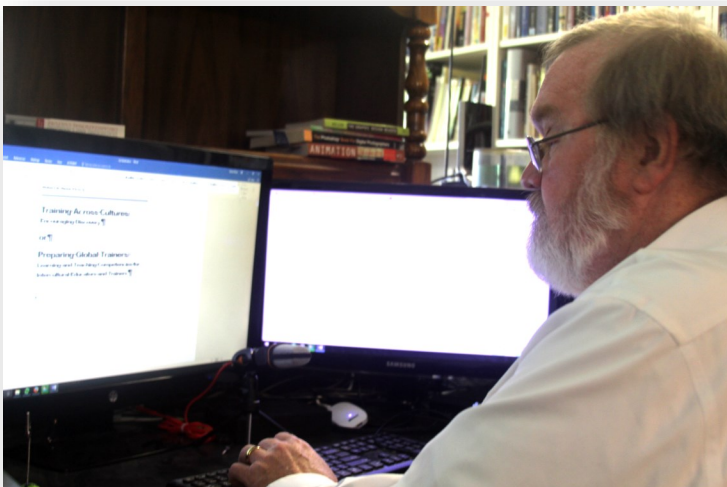

Judy with Asilio in Churingaveni. He eagerly showed the Spanish version of the Jesus film in neighboring communities three years ago, but after two showings in Ashaninka, he has been unable to continue.

Mom taking her first ever ambulance ride after her stroke.

Robin, posing here with Christie's rapidly growing kids, came from Seattle for a weekend to help out when Mom was in the CCU. As a Nurse Practitioner, Robin's expert help was much appreciated!

←Robert pursuing his calling of creating quality courses to help equip third world missionaries for success in ministry. He is working on a variety of courses as well as a textbook on cross cultural training. Please continue to pray for wisdom in deciding what, out of the substantial training he has had, is most important to include in these courses.
