REUNIONS: Early in December after visiting friends and families in the USA, Daniel and Esther Edeh returned home to Ministry of Mercy in Nigeria. How delighted the MoM family was to welcome them home!

MORE MOTHERLESS BABIES: While Daniel and Esther were in the USA, more motherless babies arrived at MoM in Nigeria and were received by loving and capable staff members. Triplet baby girls, Faith, Favour, and Mercy, as well as one-day-old Reuben, arrived in November. All are doing well.

In the photo on the far left, relatives of the triplets are officially handing them over to MoM. Please continue to pray for the staff as well as the babies.

MEDICAL CENTRE NEEDED: Whenever a newborn baby arrives at the orphanage, it means a woman has died. MoM is building a medical centre which will provide free medical care for expectant mothers and training for village birth attendants. In this way, they plan to save the lives of women and reduce the number of bereaved families and orphaned infants. The foundation is laid, and the walls are going up! Please pray for success in the building, equipping, and recruiting of volunteer doctors and staff.

CHRISTMAS STORE DEBUT: In the one month since we opened a store on our website, people have bought over \$3,500 worth of Christmas food (and diapers) for the children of MoM! We will keep the store open year round for people who enjoy ordering specific items for the children.

Thank you for your prayers and support! Great is your reward in heaven!

For all Caroline's children,

Esther Nordman
