Thank you for your prayers and financial support! See what we are accomplishing together by God's grace.

MoM hosted a Christian camp for boys in high school and above. Marvelously well-run, informative, and full of grace and love, the camp was a great success. The students wished it would continue for two or three weeks instead of only one! This is a ministry that MoM plans to offer each year.

MoM celebrates birthdays all the time! Gina and Dina turned nine years old. They insisted on including in their birthday photos the twin baby girls that they have "adopted." Twins taking care of twins! How lovely!

Joe Ifah and his Alternorm team traveled for hours to give the MoM children a concert. They loved it, and so did the adults.

A special class about Egypt at Crystal's MoM Primary School. Pauline lived in Egypt for 10 years, so she had lots of interesting pictures and stories for the students.
