Happy Thanksgiving! We have many reasons to thank God.

We are making good progress on the Clinic! Here Daniel is giving a tour. This view is of the inner courtyard surrounded by rooms. We are **thankful** to God for good Nigeria friends who support the work financially or volunteer their time and skills.

View of outside of clinic. **We give thanks to God** for all of you who have helped by your prayers and donations. The goal of this huge project is the saving of lives, so that mothers will not die in childbirth for lack of basic care.

We are **thankful** to the Lord for bringing Daniel and Esther Edeh to visit friends and family in North America again. Please pray for them and for the staff covering for them at the Orphanages, for safety and peace of mind for all. **See story on right.**

Above are some of the "Aunties" at Otutulu.

Urgent Prayer Request

Sunday night (11/8) some Hausa Fulani people (nomadic herdsman) invaded Esther Edeh's village and killed about 17 people. They had recently attacked another community and killed about three men working on their farm. Both attacks were not far from Otutulu. There are strong rumors that these Fulani people are likely to invade Otutulu Village and Orphanage. So far, no further attacks.

Please surround our orphanages with His Armies of Angels. Be on your knees on behalf of all the children and staff of Ministry of Mercy Orphanages as well as the nearby communities.

Please pray for peace to reign.

For all Caroline's children,

Esther Nordman
