Romans :13 NIV

**Pray!** Abigail (above) had orthopedic surgery. Ramatu had eye surgery. Please pray for their recovery, their salvation, and for the means to quickly pay their medical bills.

**Praise!** Keep thanking God with us for the wonderful gift of TWO school buses. Transporting our students is now much easier, whether they attend day school nearby or boarding school several hours away.

**Praise!** Project I Care auditions for orphans selected three of our children for long-term scholarships and training. Pictured are the I Care staff, and our children who competed.

**Pray!** The number of women who die in childbirth is appalling. Please continue to pray for the **MoM Medical Centre** we are building at our Lokoja location. Our goal is to provide free medical care to expectant mothers who cannot afford it so that they will live and be able to raise their own babies.

*For all Caroline's children,*
