Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world. James 1:27

Daniel Edeh with some of the older children.

From Daniel & Esther Edeh:

We at MoM Orphanages celebrate with you another year of life with God in our midst. We pray that the Lord will bless you and your family this year more than ever. We thank you for your faithful prayers and support and ask that God will bless this new year with an abundance of opportunities to share with others the love that overcomes, even in the midst of trials.

Happy New Year!

Here is some of the food that you, our partners across the world, bought for us. The children are always happy to see deliveries of milk (left), rice (right), and meat! We cannot buy cows easily these days due to the feud between the Fulani herdsmen and our local peasant farmers. So this Christmas, with the money you donated for buying cows, we bought over a hundred chickens, some big Northern he-goats, one big wild pig, and other wild game.

Thank you for your love, prayers, and gifts! For all the children, Esther Nordman
