Buy groceries for the children on our website!

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.

James 1:27

Praise God!

The Ministry of Mercy Medical Centre opened March 25!

April 8 was the third Saturday volunteers and Ministry of Mercy staff ran the clinic. Eleven pregnant women attended the free ante-natal clinic. An additional seventeen babies and women were also treated. Some of these women wouldn't have registered for ante-natal care were it not for the free services.

Along with medical care, spiritual care is offered in the form of preaching or Bible teaching. MoM shares the love of Christ in word as well as in deed.

Pray that our services will make a difference no matter how little. We wish no woman should die in the process of giving birth to life.

Singing and dancing - good exercise!

Summer Mission Trip! This summer the Rappolds, Novacks, & Snyders will visit Ministry of Mercy to provide respite for the care-takers & enrichment for the children, as well as clothing, school supplies, & medical supplies. They ask for prayer:

For Guidance – where to focus their time and energy, how their young people can engage with the children

For Wisdom – what to take, how to speak a word of encouragement at the right time, for the ability to see what God is trying to teach them

For Protection – from road hazards, from people who would do them harm, from illness or accident, over their luggage

For Favor – with airline employees handling their 20 pieces of luggage, with immigration/customs officials

Thank you for your love, prayers, & gifts!
For all the children,
Esther Nordman

Partners in Joy's Mission Statement: to partner with already established, effective ministries, assisting them in their efforts toward expanding the Kingdom of God and fulfilling the Great Commission
