<https://youtu.be/X4V3NJE4yoE> "O God, save Nigeria!" This YouTube video is a song, a passionate prayer call by Pastor Sampraiz. Let every saint raise a cry up to God for this nation under siege. --Audio and video by Joe Ifah and son Mayowa of Alternorm Ministries.

Devastating floods.

Rice shortage predicted for 2019.

The Fulani cows in the video represent the **deadly attacks** suffered by farming communities in many parts of the county, including villages near MoM.

Wide-spread **floods** have destroyed many homes and businesses, displaced 30,000 people, and killed 100.

Oppression of the defenseless by those in power is heart-breaking. Please do pray for Nigeria.

Meanwhile, the **economy** makes it necessary for Ministry of Mercy to continue expanding their farming efforts. MoM grows beans, corn, casava, and many other crops to help feed the 400 children and staff. Can you imagine clearing the land with a machete and heaping the soil into ridges with a back-breaking, hand-held hoe? Please ask God with us for a great **harvest**.

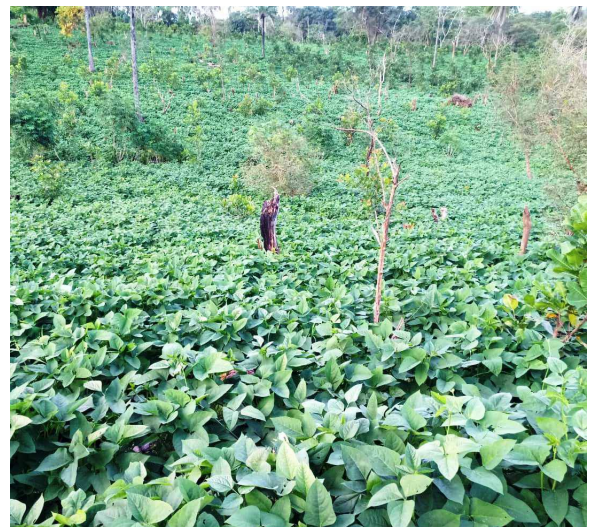

Please pray for children of MoM in the US, whether they are pursuing an **education** or **employment**.

Please pray for a ministry friend who needs intervention by the Lord to get a **visa** to visit the US. It is an urgent matter.

We so appreciate your prayers and financial support. Where would we be without you?

Thank you for your partnership!
