

July 2019 MOM ORPHANAGES

The two orphanages in Otutulu village and Lokoja together host over 400 orphans and children with special needs, as well as their care givers who have been employed based on their own personal needs. Some are widows whose own children receive spiritual, physical, health and educational care like every other orphan in our orphanage homes. Other caregivers are people with disabilities who may also receive educational aid.

The orphanages remain ever busy as new babies keep pouring endlessly into the homes. It's a place where so many children have found love and a good childhood. The daily needs here are enormous but God continues to supply faithfully – infant formula, diapers, food, clothing, toiletries, electricity bills etc. These orphans and caregivers would be grateful to be added to your supplication and thanksgiving prayer list.

God bless you! -- **Monday Alidu.**

MOM SCHOOLS

Ministry of Mercy has a nursery and primary school as well as a high school providing for educational needs of our children of school age – over 250 of them. These schools are staffed with twenty qualified teachers and six school administrators who have retired from government service. They are very capable and passionate for the work.

The schools also have two new blocks of six classrooms recently constructed, in addition to the initial two blocks of eight classrooms. Our high school's first set will be writing their first external certification examination this year. Please pray for the pupils, students, and staff members as God desires to achieve holistic education among them.

Blessings, -- **Becky Attah**

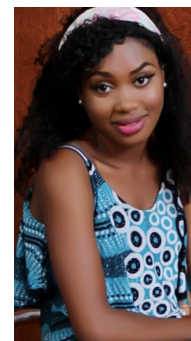

Monday, an administrator at MoM Lokoja, was a child with a physical disability who was helped by Caroline Gross and became one of the first residents of MoM in 1992.

Becky suffered much scarring in a domestic accident when she was a baby. Later brought to MoM, she received plastic surgery and a welcoming haven. She is now an administrator at MoM Otutulu.

Praise God for their beautiful physical and spiritual lives!

With thanksgiving, -- **Esther Nordman**
