

Letter of prayer Familia Porras

Be always joyful, pray without ceasing, give thanks to God in every situation, for this is His will for you in Christ Jesus. 1 Thessalonians 5:16-18

Hallelujah once again we rejoice to be able to address you and share our requests for prayer and thanks to God.

Gratitude

We are very grateful To God for the support in our work.

. We give thanks for the students of theological foundations. They are progressing and already doing research homework on their own.

. We thank God for the students. The Lord is moving their hearts and two of the pastry class students already have a brand that represents their products

A few months ago, we started a conversation with our friend Rebecca. She was to missionary in Senegal for many years. Due to family situations she had to return to Costa Rica. We proposed that she serve with us and Rebecca was very interested. We have prayed since we saw the need for someone to cover the work with children within the indigenous reserves and she has great experience in that area.

Let us pray that the Lord in His holy will will give Rebekah direction along with his Church if it is good for them to work with us.

Prayer Requests

. Yorlenny is on the waiting list for her operation, let's pray that God will take control.

. Let us pray for CEI, the project we are developing, that the lord will provide more economic resources to continue teaching the courses in the indigenous ethnic groups of Costa Rica and for a future to extend outside the country.

. For the next course in the Térraba ethnic group, let us pray that God will give us the wisdom to develop it.

. Let us pray for spiritual protection in our family, every day we work with the indigenous population we face spiritual environments of witchcraft and much more.

. Let us pray for our children Andy and Stephanie, that the Lord will keep them and help them in their daily lives.

. Let us pray for the indigenous population in Central America, that Jesus may be in their hearts

. Let us pray for the next course in the month of October, that the Lord will continue to touch the students' lives through the teachings.
