

## DECEMBER 2021 NEWS

*Philippians 2:13*

*For God is working in you, giving you the desire and the power to do what pleases him.*

### Porras Family

What a pleasure to greet you dear friends! We have been very excited by what the Lord continues to do with CEI among the indigenous peoples. It is so special to see that we are already in December, and how quickly this year has ended, throughout which we have seen many testimonies of how God has transformed the lives of the students and also ours.

We want to extend our gratitude for the support you have given us in these months. We invite you to continue accompanying us in 2022 which comes full of challenges, expectations and miracles. Together we will see the goodness of God.

We taught Systematic Theology, and it was of great benefit. Since we are entering the summer, we took advantage of the nice weather and enjoyed the class outdoors.

### End of course

Yorlenny ended her pastry course by evaluating the students with a final project: snacks for the graduation program.

# Graduation

After six months of studies and braving rain, long commutes, personal and family situations, the satisfaction of having finished their courses with God's help was reflected in the students' faces as they held their certificate in their hands.

*We are so grateful to the Lord for giving us this opportunity!*
