

Training Indigenous People

2 Timothy 4:7

I've fought the good fight, I've finished the race, I've kept the faith.

We have reached the end of the year 2021. The Lord has accompanied us in every step we have taken. Since we started with the courses in June of this year, he has supplied everything we have needed.

A few days ago, we learned that everything belongs to God. Since we surrendered even the smallest details of our life to God, today we can say that CEI belongs to the Lord therefore knows of every need, providing in his time. We are claiming the promise of **James 5:16 (b) says; *The earnest prayer of the righteous is powerful and effective.***

We thank each of you who pray for us for joining us on this journey where we see every day the creative miracles of the Lord, how he has transformed every heart and today every student found a purpose for which to move forward personally and with God.

Motives for Prayer

This year we met Valeria Ramirez, who with great encouragement is added to the team as a missionary of CEI. She is from the province of San José of our country.

We ask for prayer that the Lord will provide what is needed in her work and every day grant her more wisdom.

This is Guiselle Navas and her daughter Ana.

They are from the indigenous territory of Boruca. Guiselle was in the first course we offered and now she, too, is part of the missionary Team of CEI.

We ask for prayer that God provide wisdom and finances.

Let us pray for the Flores family, who have been CEI missionaries since CEI began.

We ask for wisdom so that this family will flourish more in ministry every day.

Let us pray for Tabea as she is pregnant and this December she will give birth.

We ask for prayer for our family and for the Lord to give us much wisdom and strengthen our faith, as we want to continue doing His will.
