

# Prayer letter Porras Family

This is how the Lord has commanded us: "I have made you a light unto the nations, that you may bring my salvation to the ends of the earth." Acts 13:47

## Boruca Course

In December we had the graduation for the course in the Boruca ethnic group. We are so grateful for such a beautiful opportunity that the Lord Gave us!

## Térraba ethnic group

In the month of January we will be teaching 3 courses that are very important for this community. The pastry course, theological fundamentals course, and the Sunday School Teachers course.

We want to invite you to join us in praying for all these courses, that each teacher finds enough wisdom to teach each subject and that the students will be enthusiastic.

Beloved brethren in Christ, we greet you and also desire that the Lord will give you a happy year 2022 with his favor that in everything you undertake He will make you prosper.

In this new year we want to motivate you to use again the strongest tool that the Lord has given us, "prayer", Each of our prayer partners is a very strong pillar in the ministry to which God has called us, and we want to follow his will as you intercede for us.

## CEI Team. Training Among Indigenous People

## Prayer requests

- . From January to June 2022, we will be teaching in the Térraba ethnic group. Please pray for wisdom for the team.
- . Pray for the financial needs of the project, that all these 6 months the Lord continues to provide as before.
- . Pray for the team of our CEI organization.
- . Pray for Yorlenny's health as she is recovering from surgery. Praise God that everything went well.
- . Pray for Manuel's health as he has a bacterium in his stomach and is receiving antibiotics and other medications.
- . We ask for prayer for our son Andy, that the lord will open the door for him for college and that he will supply everything he needs.

. We ask for prayer that God will supply us with a four-wheel drive car. We do have a car, and we thank the Lord for it, but it does not handle the rough roads to the indigenous regions well.

We need to raise \$4000 for a four-wheel drive car.
