Dear friends , we greet you with great affection and wish you many blessings from God

We are very grateful to God for what He allowed us to do in the CEI project.

Theological Foundations: Biblical Counseling

The Theological Foundations course this time was Biblical counseling. It includes steps that will help the students to provide counseling support in the church.

Prayer Requests

- Sileny, a pastry student, will have her second child in the coming days, Lord willing. Pray for a safe delivery.
- On Wednesday, April 27, we visited the pastoral family, Isabel and Cleto Diaz, in the area of Las Brisas, about starting the next course in the middle of this year. Let us pray for the place, for the students, teachers, and the team that we may be led by the Holy Spirit.

Sunday School Teacher Workshop: Creating Teaching Materials

We teach Sunday School teachers how to create materials from things that are accessible to them, helping ensure that Bible stories touch the children's hearts.
