

## Porras Family Prayer Letter

*Yorleny, Andy and Manuel*

May 2022

### **Psalm 90:17**

*And let the grace of the Lord be our God upon us. It confirms, then, upon us the work of our hands; yes, the work of our hands confirms.*

Prayer is extremely important in our ministry. We have seen God work miracles. We also see how in answer to prayer God leads us on this path.

Every student is taking giant steps. One of the biggest problems we encounter is low self-esteem. God intervenes and heals hearts and every student who takes these courses experiences personal growth and achievements.

### **Praise to God**

1. God continues to work in the heart of every student in the Térraba territory.
2. We have had communication with the former students of the Boruca ethnic group, the Lord is using each of the students. The pastoral students are preaching in the congregation, and those who took the pastry course have already been selling their products.
3. Among the students in Térraba God gave us the opportunity to be supportive of a pregnant student. She had her baby and God blessed her in her childbirth.

### **Prayer Requests**

1. For the spiritual life of the family
2. For the work we are doing with the organization (administrative/training), may the Lord provide us with wisdom.
3. For Andy's health—he has a small curve in his spine. We hope he will soon start therapy for that.
4. For a trip that we must make in August to Panama. There is a possibility of extending our teaching project with the indigenous people of that country.
5. For Andy's acceptance to the University, and for his tuition.
6. For the students of the Térraba ethnic group, God is working on their self-esteem.
6. For the course that we will be starting in the month of July in the Las Brisas Bribri indigenous territory.
7. For the house where we live that God provides to be able to buy it.
