Helping train Kingdom workers from developing nations

January 2023

Happy New Year!

From the Reed clan in Seattle and Dallas, including our Chinese “daughter” Rebecca, Happy New Year!

I hope 2023 is getting off to a good start for you. Habakkuk 1:5 resonates with me for this year:

“Look at the nations and watch—and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told.”

I can't wait to see what God will do in *our* day! We could certainly use a miracle or two!

Over the River and Through the Woods to Grandmother's House We Go

Well, maybe more like over the forest and across the sea to the concrete jungle she flew. 😊

Yep, Yorleny came from Costa Rica for a three-week visit! She and I have been Skype friends and prayer partners for seven years, and finally we had a chance to meet! By the way, Yorleny was the one

who got Robert connected with ProMETA, which has turned out to be an excellent ministry fit for him. Yorleny is working on her Master's Degree through ProMETA, and this block of time was her vacation from classes. So she got to experience an American Christmas mixed in with all the other firsts of this trip. She loved it! And my Spanish got a good workout! We had such a good time!

Thank You!

God is calling more and more people in developing nations to serve Him by taking the Good News around the globe. They need training in order to be as effective as possible. Also, upwards of 90% of pastors in developing countries have had no formal Bible or theological training. Robert is applying his many years of academic experience in teaching, course development, and program development in his work with ProMETA to provide the best training possible to Hispanic Kingdom workers. **Thank you** for partnering with us through your friendship, prayers, and gifts in this important ministry!

Better Late Than Never, I Hope

The livestream for Mom's Celebration of Life service had a glitch. For some reason it was hard to find, and the few who did find it were disappointed to discover that there was no audio coming from the microphones, which of course meant nothing spoken was heard. We have pulled together viewable components of the memorial in case some of you would still like to watch it. Here is the link:

Praise and Prayer

- Pray for Robert's health and for energy to throw himself with vigor into the ministry he loves.
- Pray for good sleep for me.
- Pray for Sylvia and Andy as they return to Papua New Guinea to distribute to the Kaluli people God's Word in their own language! The enemy hates what they are doing. But God is stronger!
- Pray for a constantly deepening relationship with God.
