

## 2 Corinthians 3:2-3 NIV

You yourselves are our letter, written in our hearts, known and read by all. It is evident that you are a letter from Christ, sent by us, written not in ink, but with the Spirit of the living God; not on tablets of stone, but on tablets of flesh, in hearts.

### Greetings!

Dear friends, please receive a cordial greeting from our family.

The above biblical passage says that you yourselves are our letter, written in our hearts. Throughout the years that we have been serving in the indigenous communities, supporting the churches through various training courses, we have seen each one of you reflected in this work through your economic and prayer contributions, and support in different ways. Today, seeing the fruits in what we achieve, we thank God for each person who has been used by Him so that we can reach these communities and follow His divine plan. Thank you very much for being part of it!

### Discipleship Course in the Community of Yuavin

We concluded the discipleship course in Yuavin with nine students who worked faithfully to obtain their certificates. We are convinced that discipleship helps people to further strengthen their faith in Jesus and to learn about the Word of God and the work that the Holy Spirit does in each life that comes to find salvation.

This discipleship course has been one of the most pleasant experiences the Lord has allowed us as an organization.

## General courses with former students

### Pastry

Meeting with former students again and being able to share with them was a nice experience. We were able to listen to their testimonies and counsel some of the ladies. They also learned something new for their collection of pastry recipes.

### Sewing

This course was very enriching. The students learned to make a blouse. This took them some time, but they succeeded. It is special to see them enjoy what they learned.

### Please Pray

Magda is a sewing student. She asked us for prayer because her health is not good. She has ulcers on her liver. We want to invite you to join us in asking God for a miracle of healing in her life.

### Leadership Training

We managed to gather six church leaders and share with them on the topic of good stewardship in ministry

## Prayer and Praise

- Thanksgiving for seeing fruit in the lives of students.
- Thanksgiving for the support of different people to the ministry.
- For churches in indigenous communities that they be steadfast in the faith.
- Wisdom and strength for the team that serves with CEI.
- For God to watch over us as a family: Manuel and Yorlery and our adult children.
