Hebrews 4:12 God Speaks Today Because His Word has life and power. It is sharper than any two-edged sword and penetrates to the depths of the soul and spirit, to the innermost depths of the person; and it submits to judgment the thoughts and intentions of the heart.

Dear brethren, we are delighted to share with you the good news of what God is doing in among the Indigenous Bribri who live in Cebror.

Hebrews tells us about the wonderful power of God's Word and its effect on people's lives, which is why we cannot visit Cebror without sharing its message.

THE COURSES

We are very amazed at how doors have opened for us. We now teach five courses: Sunday school teacher training, youth leader training, and baking, sewing, and theological foundations. Each course has its own teacher, and we give glory to God for His favor.

Each student receives the materials needed to learn and put into practice the variety of skills we are teaching. We are already seeing the fruit of our labors, because where there were no youth leaders, there are now. There are also preachers with a biblical base, pastry chefs, seamstresses and more who are applying what they have been taught.

Testimony

In each course the Lord gives us unique experiences with each student. This month God prompted us to share with them some biblical texts that challenged them to make changes in their lives and become free from things that have limited them. Some students cried, broken by the Word of God, as they shared the pain of childhood abuse, verbal and physical abuse, and infidelity in their marriages. These things limited them and resulted in many mental blocks, inhibiting their growth and sense of worthiness of freedom and healing. But the grace of God reached them with His love, restoring what was broken. We thank God!
