Urgent Prayer Request

A Muslim family brought their teenage daughter to MoM for help a few months ago. She has a growth which has ruined one eye and grows out of the eye socket like a terrible flower. She needed surgery, but we were not able to provide it for her. Anibe and Daniel traveled out to the USA, as planned, to visit friends and the families who have adopted some of our children. When they returned recently to Nigeria, they found that the girl's condition had become much worse. Please be on your knees for:

- The resources it takes.
- Successful surgical procedures.
- For her to find the Prince of Peace.
- That our services will serve as wordless gospel message to her Muslim family.

Many of the people who bring their children to Ministry of Mercy for help are Muslims. We show them the love of Christ and speak to them one on one as the Lord gives us opportunity. Some have come to know Christ and have wonderful testimonies, some of miraculous healing and some of quiet acceptance of the love of God through Christ. Please pray that God will continue to claim more Muslims as His own sheep.

A staunch Muslim, young Mohammed was on his deathbed. No medicine seemed to help. He put himself in Daniel's care, and somehow did not die. Eventually he regained his health, gave his life to Christ, and now teaches at the MoM Primary School. And he is happily married to this lovely Christian lady. Praise the Lord for His marvelous works!
