

# Prayer Letter Family Porras

**Ephesians 6:18**

Pray in the Spirit at all times and on every occasion Stay alert and be persistent in your prayers for all believers everywhere.

We are so grateful to invite you to take some time to pray for us.

During these months we have made a great effort following the vision that God has given us. In recent months we have managed to conclude one more course with 13 students. We feel privileged that God himself includes us in his plans to bless the indigenous population.

On June 23, 24, 25 we completed the course in the Térraba ethnic group, where students received their certificate of participation for 6 months. Each of them very proudly ended up believing in the Lord who will guide them in what they undertake.

## Petitions for prayer.

- . July 21, 22, 23 we are starting a new course in the Bribri ethnic group. May God take control of everything.
- . For the CEI team, we need wisdom to teach each course.
- . For Yorleny's health, may the Lord strengthen the joints of her body.
- . May the Lord supply financial resources for the materials we need for all courses.
- . Let us pray for pastors Cleto and Isel of the indigenous Bribri church.
